BOURNEMOUTH PIZZA Co

WOODFIRED

A FAMILY BUSINESS

We opened this restaurant in 2013 it is run and owned by us.

We provide delicious handmade pizzas to the local community.

We believe in buying from local suppliers where we can,
and sourcing our ingredients as fresh as possible.

We believe in having choices, so our menu has grown
to include Vegan and Gluten free options.

We make the dough for our pizzas fresh daily
and bake them in our authentic wood fire oven.

Hopefully you like what we have created, and enjoy a little
taste of Italy right here in Bournemouth.

We want to thank all our loyal customers for their
continued support and to new ones yet to discover us.
