

AN INDEPENDENT BUSINESS

We opened this restaurant in 2013, it is run and owned by us.

We provide delicious handmade pizzas to the local community and holiday makers.

We believe in buying from local suppliers and source our ingredients as fresh as possible.

Our team of experienced pizza chefs hand make the dough for our pizzas daily and bake them in our authentic wood fired oven.

We hope you like what we have created and enjoy a little taste of Italy right here in Bournemouth.

Pop by again, and let your friends know!
